

### **Our Mission**

Priority Care Pediatrics, L.L.C.'s mission is to have physicians and a diversified staff to provide quality, continuous and consistent care enhancing the health status and well being of all children from birth through adolescence living within all the communities we serve through the provision of education, preventative measures, innovative ideas, and modern technology. We are committed to offering comprehensive health care to our pediatric patients and their families in an environment that recognizes the unique physical, psychosocial, and emotional needs of the pediatric client. We are here for the children of today, tomorrow, and the future.

### **Our Philosophy**

Priority Care Pediatrics, L.L.C. is devoted to creating an environment that welcomes a child, while providing exceptional quality pediatric health care and services that are achieved and recognized. Our services are provided unconditionally without regards to age, sex, race, religion, disability.

### **Our Vision**

To accomplish our mission, we envision that we will:

- ❖ Provide exceptional multi-disciplinary quality care with a mutual collaboration of staff and physicians to serve the patient holistically.
- ❖ To build trust by educating our patients and families while continuously striving to meet the needs of all the communities that we serve.
- ❖ Provide a playful as well as fun, friendly, secure, child oriented environment
- ❖ Exercise fiscal responsibility while encouraging innovation and growth.

### **Our Values**

To accomplish our mission, vision, and philosophy, we focus our energies on the following:

- ❖ **Quality Assurance** – We expect to meet and strive to exceed our patients' expectations and those of their families in providing patient care.
- ❖ **Respect** – We respect and value professionalism, honesty, and integrity. To that end, we treat physicians, fellow employees, volunteers, business associates and members of the community with courtesy and respect and value their participation in achieving our goals.
- ❖ **Care Team** – We are committed to positive, creative, honest and mutually beneficial relationships aimed toward achieving organizational vitality. We value team spirit and a teamwork approach to problem-solving with open communication.
- ❖ **Efficiency Management**– We are committed to achieving our mission through the efficient and responsible of human and fiscal resources. Our vision directs that we use each wisely in order that we continue to provide the highest quality of patient care.
- ❖ **Leadership** – We will be a leader in pediatric health care delivery, seeking and encouraging creativity and innovation at all times.
- ❖ **Community** – We are committed to community service and welcome our social responsibility. We strive to be leaders and advocates in illness prevention, community health and environmental awareness.
